

Petition for Recount of Benton County Arkansas JP District1.

To: Benton County Election Commission.

I, Michael McCaskey, hereby request a hand recount for the Benton County JP District1 dated March 5, 2024 election for the office of Justice of the Peace.

Applicable Grounds:

Under Arkansas Code 7-5-219 (2019) – (a) (1) Any candidate voted for who may be dissatisfied with the returns from any precinct shall have a recount of the votes cast therein upon the candidate's presenting the county board of election commissioners with a petition requesting the recount.

Additional Rationale for Request:

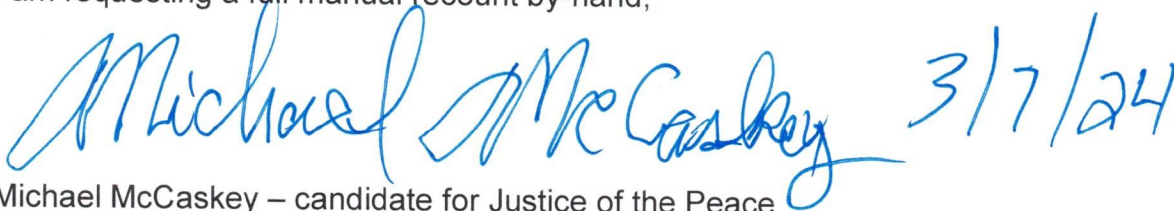

A large number of voters have concerns about Electronic Voting Machines. Some voters even attempted to request paper ballots on election day, which is not allowed under current rules. For this reason, to assure the voters that each ballot cast is counted correctly, I am requesting a full by-hand recount of each voter ballot in the Benton County JP District1 race.

The election precincts for which this recount is being requested are as follows, which used a mix of Electronic Voting Machines, as well as hand counting individual Absentee or other approved paper ballots:

Precincts: 3, 5, 12, 13, 35, 41, 44, 46, 53, 54, 55, 90

Precinct Part: 3.01, 5.02, 12.02, 12.12, 12.13, 13.03, 13.04, 35.01, 41.02, 41.04, 44.01, 44.05, 44.06, 46.08, 53.01, 53.02, 53.03, 53.05, 53.12, 53.14, 53.15, 53.16, 54.02, 54.07, 55.01, 55.11, 90.01, 90.04

I am requesting a full manual recount by-hand,

Michael McCaskey – candidate for Justice of the Peace
